1

Use the following parts to set up the Soccer Skill Net.

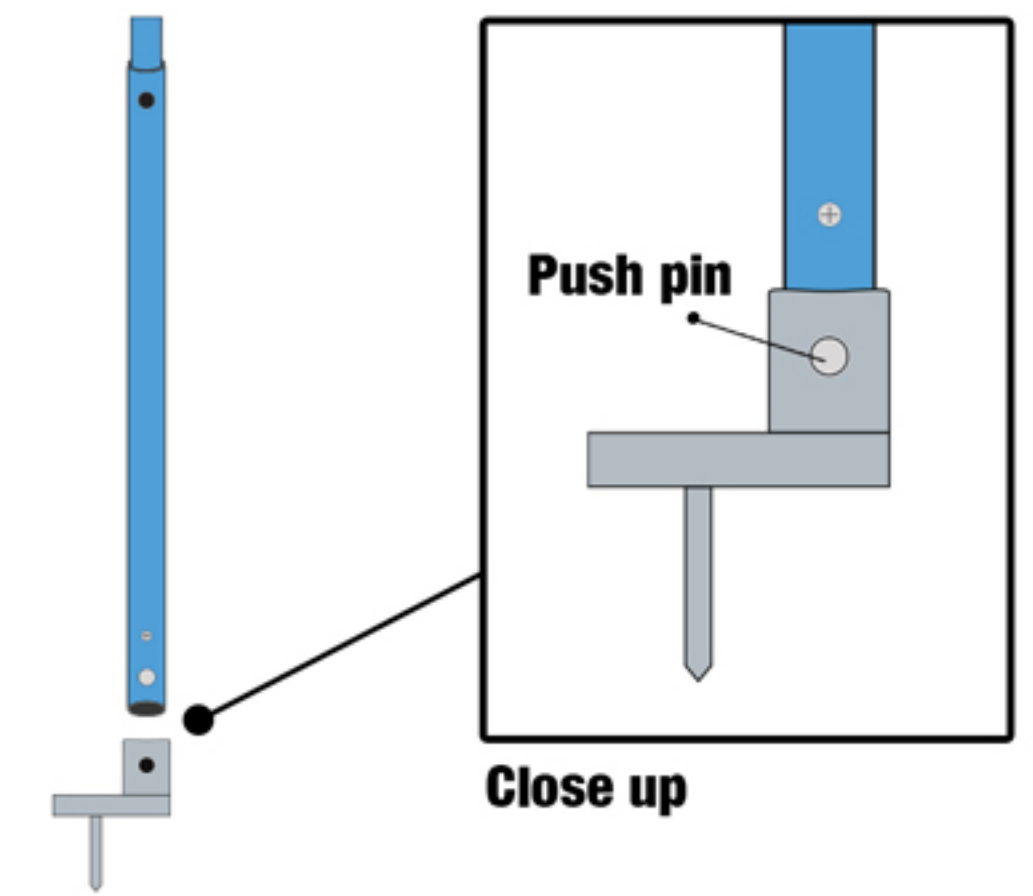

2

Unfold Soccer Skills Net and start setting it up.

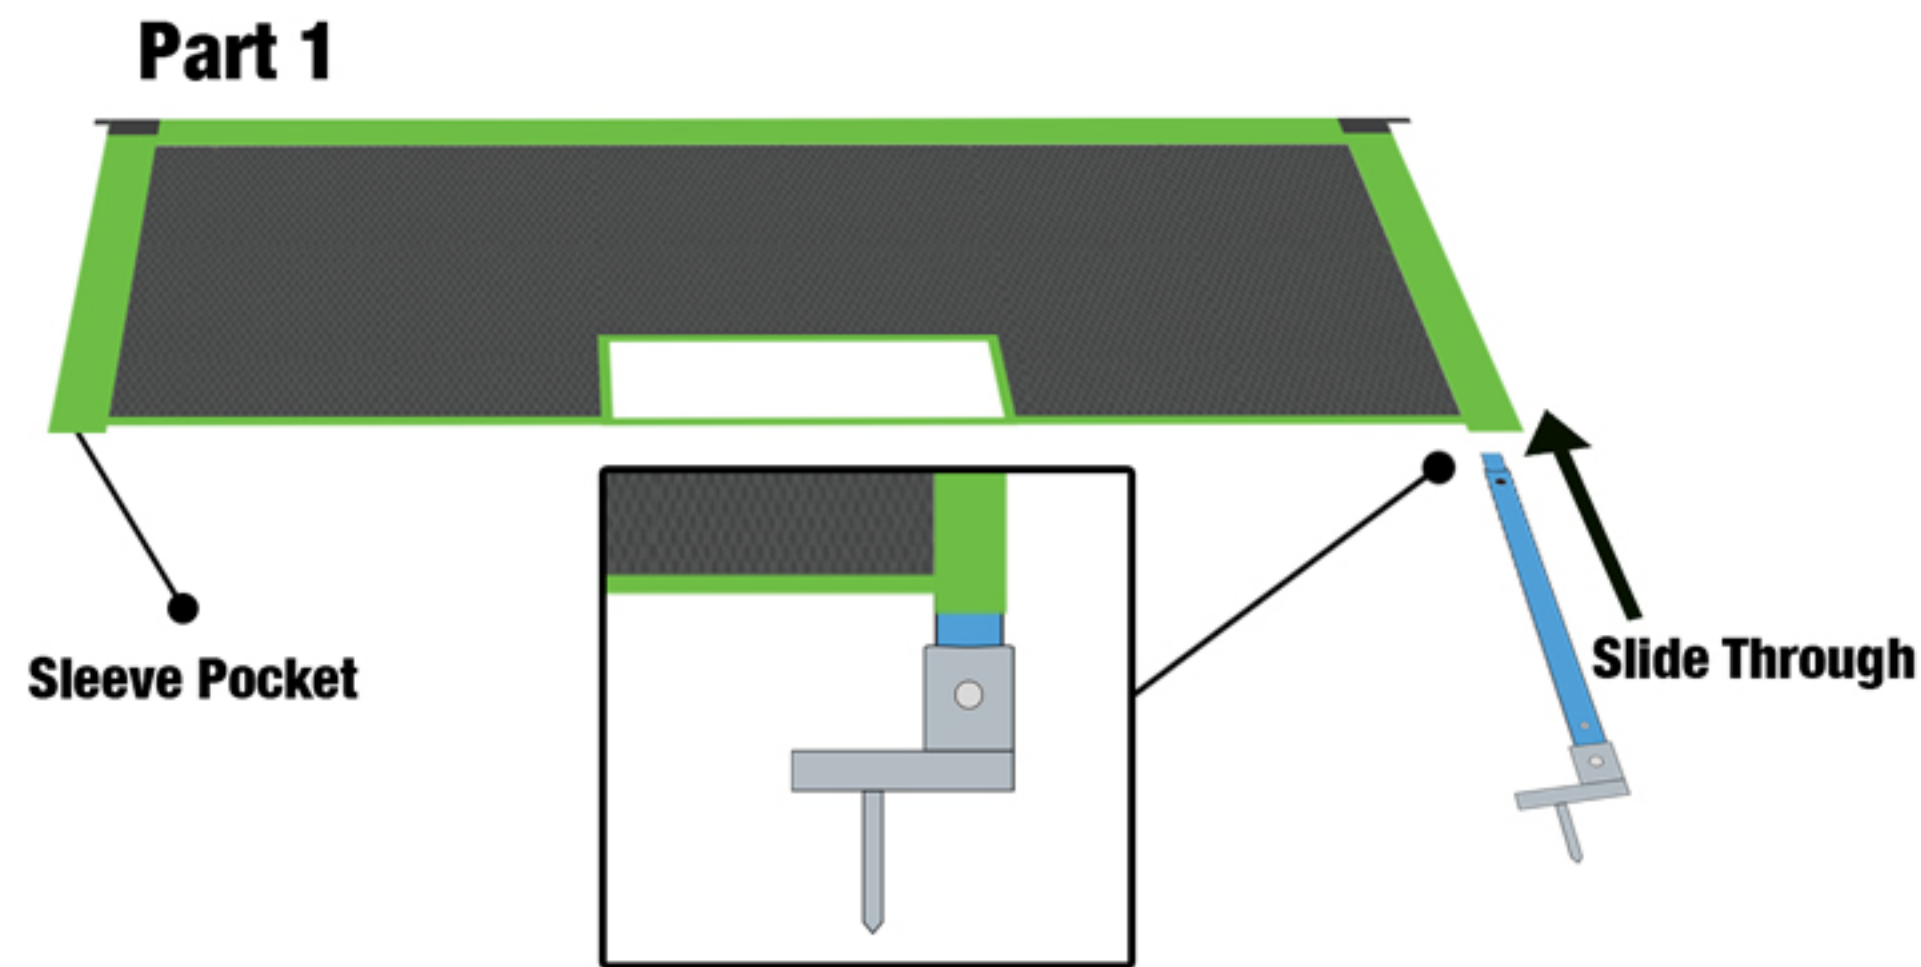

3

Attach spike to telescoping pole and secure using push pin. Do this for both poles.

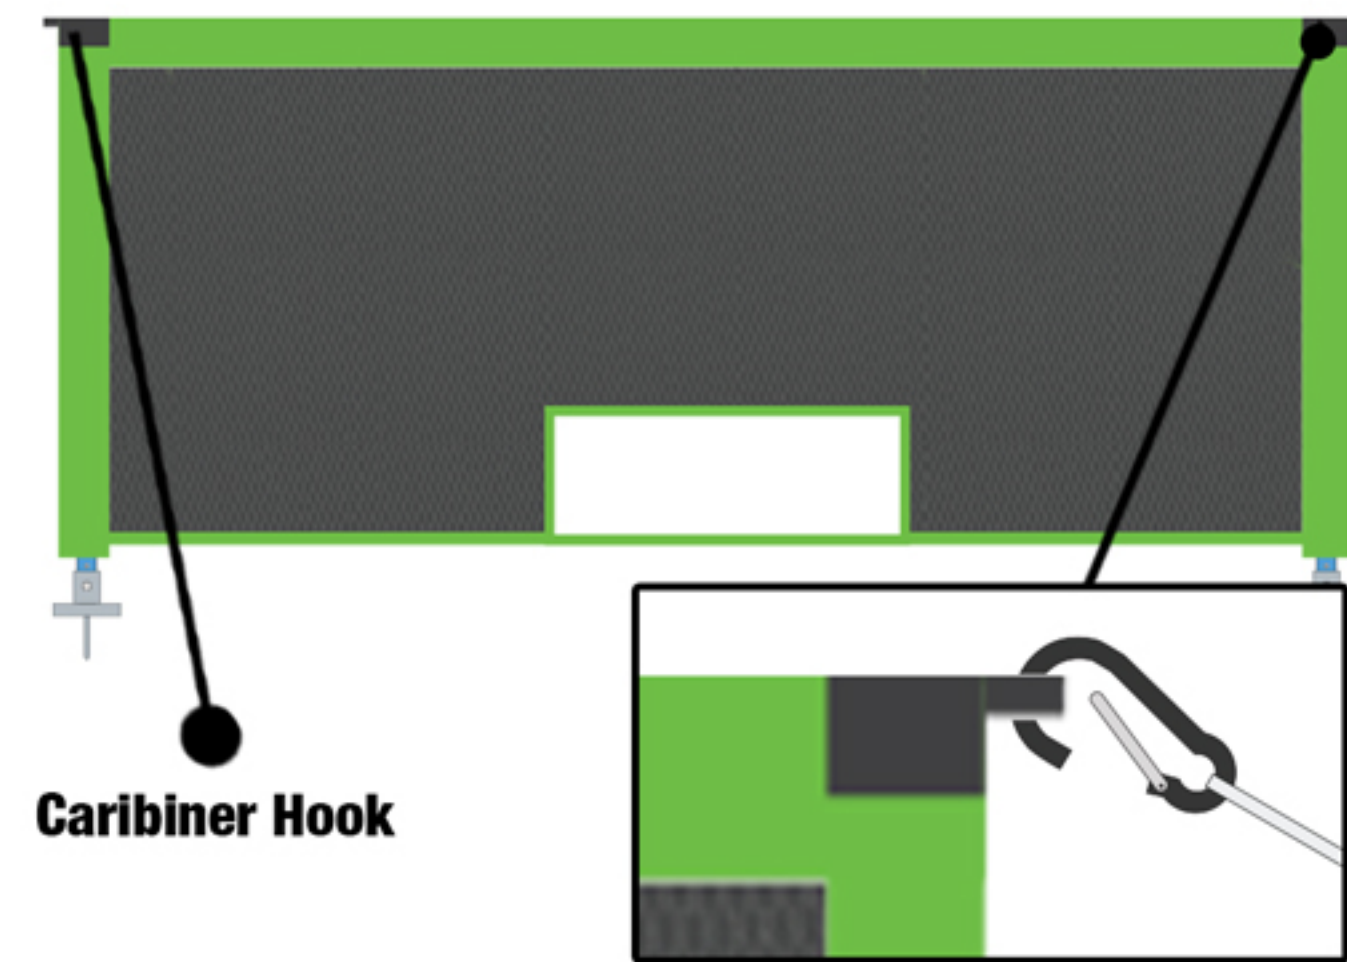

4

Locate Skills Net side sleeve pockets and use poles to slide through. Then lift the net and insert spikes to the grass to hold in place.

5

Use guide chords with caribiners and attach them to the Soccer Skills Net caribinner hooks, then adjust the tension by placing the guide chord spike in the grass.
